

THE CAMPAIGN TO EXONERATE LYNDON LAROCHE

"There is no one in the history of the United States to my knowledge, for whom there is a greater discrepancy between the image crafted by the neo-liberal establishment and the so-called mainstream media, through decades of slanders and covert operations of all kinds, and the actual reality of the person himself, than Lyndon LaRouche. And that is saying a lot in the wake of the more than two-year witch hunt against President Trump. The reason why the complete exoneration of Lyndon LaRouche is synonymous with the fate of the United States, lies both in the threat which his opponents pose to the very existence of the U.S.A. as a republic, and thus for the entire world, and also in the implications of his ideas for America's future survival."
